

## **Backyard Composting Workshops in June!**

Join your fellow Jefferson County citizens for an engaging hands-on workshop with instruction on how to create and maintain a healthy compost system with food and yard waste. Create compost to amend your soil, retain moisture, provide essential nutrients for your plants & MORE!

**Four workshops to choose from. To register, click on your preferred workshop:**

<a href="#">#1 - Saturday, June 3</a>	<a href="#">10:30AM-Noon</a>	<a href="#">Quimper Grange, Port Townsend</a>
<a href="#">#2 - Saturday, June 3</a>	<a href="#">1-2:30PM</a>	<a href="#">Quimper Grange, Port Townsend</a>
<a href="#">#3 - Tuesday, June 13</a>	<a href="#">7-8:30PM</a>	<a href="#">Chimacum Middle School Library, Chimacum</a>
<a href="#">#4 - Thursday, June 15</a>	<a href="#">7-8:30PM</a>	<a href="#">Chimacum Middle School Library, Chimacum</a>

### **Cost: \$25**

Participants will receive a \$125 Earth Machine composter. One per household, please. Participants must attend the full workshop to receive their composter. Additional family members and/or friends may attend at no charge with one paid registration.
